

## Certificate of Receipt of Drug and Alcohol Educational Materials by CDL Drivers

### INSTRUCTIONS:

[§49 CFR 382.601] The United States Department of Transportation (DOT) regulations require the University of Nebraska to provide all drivers with educational materials regarding drug and alcohol use and abuse, and the rules and regulations of DOT that apply to University's drivers.

### To the Drivers:

DOT regulations require each driver to sign a form certifying receipt of training materials. This form will be maintained by the Department of Human Resources along with other University of Nebraska DOT CDL Drug and Alcohol testing program records. You may request a copy of this certification.

### DRIVER'S CERTIFICATION:

I, the undersigned, hereby certify that I have viewed the University's Policy titled "Testing for Alcohol and Controlled Substances for Employees Required to Hold a Commercial Driver's License". I acknowledge and agree that I am responsible for reading, understanding, and obeying the University policy and DOT regulations regarding alcohol and drug use testing. I also understand that, because changes in the governing federal law or regulations may occur from time to time, the terms and conditions of the University's policy may also change without the University being able to give me prior notice. I agree to comply with DOT regulations and the University's policy regarding drug and alcohol use and testing. I understand that if I have questions concerning this form or the policy, I can call the Department of Human Resources at 402-472-3106.

Prior to signing this form, I read it carefully and had an opportunity to ask questions regarding its content and the content of the training I was provided.
