

Authorization for Reference Check and Waiver and Release of Claims

To be completed by candidate being considered for a position with UNL if the individual/entity completing the reference check requires a release from the candidate. The University of Nebraska–Lincoln may check references you have listed on the application.

I have applied to the University of Nebraska–Lincoln (UNL) for employment consideration. In order that UNL can better evaluate my qualifications, I wish that UNL is fully advised of my performance and record with you.

I give UNL the right to investigate all references and to secure work and performance related information about me in order to arrive at a hiring decision. I also authorize all persons, institutions, organizations and companies to furnish any and all information sought and I waive any legal requirement to provide notice to me regarding reports, records or information given or received in accordance with this authorization.

I further hereby authorize any person or entity to whom the above Authorization for Reference Check is presented to release any information required therein to UNL, its agents, employees, or assigns. I further agree to hold harmless any person or entity from any claims of liability I may have against him/her/it for the release of such information and waive and release any such claims.

I hereby acknowledge that I have read and understand each of the above statements.
